Funds spent for KVP construction projects by 30 April 1953 totalled about 50,000,000 eastmarks. Funds budgeted for 1953 were allegedly estimated at 79,000,000 eastmarks, but were believed to be absolutely insufficient.¹

2. On 15 May 1953, Major General Allenstein-Walter, was appointed chief of rear services. Major General Heinrich Heitsch, was allegedly reassigned to a field unit. Colonel Reinhold , became chief of the finance administration.²

25X1A

1. Comment. Except for the Erkener project the military construction projects listed in the present report are known.

2. Comment. A previous report by another source also mentioned that Major General Walter Allenstein was appointed chief of rear services and Major General Heitsch was reassigned to a field unit. Colonel Reinhold was Allenstein's deputy at the finance administration after July 1953.
